GENERAL TOOLS FOR WORKING AT HEIGHT

12" HACKSAW

Our Hacksaw for Working At Height features a permanent ring attachment point. It has a flexible, shatter resistant body for safer cutting and an ergonomic grip design for comfortable handling. It also has a long lasting die cast aluminium construction for durability.

- **SDHS12** - 12" / 300mm

SQUEEZE HANDLE AUTO RETRACT KNIFE

Our Squeeze Handle Auto Retract Knife with permanent Stopdrop attachment point for Working At Height features a squeeze handle to extend the blade from the casing. Providing pressure has been applied to the knife and the cutting surface, the blade will auto retract once the pressure has been released. Also has the feature to lock the blade in place.

- **SDKZH10692** - Squeeze Handle Knife

CARBON SCRAPER

Stopdrop Tooling Carbon Scraper with permanent Stopdrop attachment point for Working At Height.

- **SDCSA12** - 12 7/8" / 327mm long, 1" Blade.
